

Product Highlights:

- Various color solutions for different façade cladding design.
- Slim profile (15.4mm width) for façade integration
- Longer Daisy Chain & Auto addressing
- 5 years warranty

Light is gorgeous ARCHISHAPE® Tube Ultra Slim

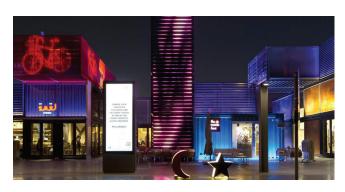

An IP66-rated slim LED tube for any wall or façade media lighting.

Light is OSRAM

Our Brands

ARCHISHAPE® Tube Ultra Slim is an IP66-rated slim LED tube for any wall or façade media lighting. Available in 300/500/1000mm lengths, the simple but robust construction allows up to maximum 12 meters of tubes to be daisy chained on a single power supply unit.

Advantages & Benefits

- Various color solutions for different façade lighting design (RGBW / RGB+W / RGB / Dynamic White)
- Slim profile (15.4mm width) and available in 300/500/1000mm lengths
- Longer Daisy Chain & auto addressing
- 5 years warranty
- IP66

Applications

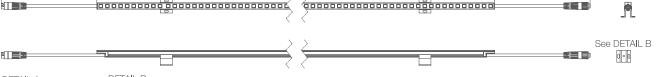

- Accent/border dynamic effect for long ribbons
- Low resolution media façade
- Stadiums, Bridges, Hospitality, Office Buildings
